

**-SEEKING FULL- TIME ASSOCIATES-**

**Interested in joining our research team and administering assessments to children?**

PrecL (Precision Learning Center, [precl.org](http://precl.org)) is an innovative new and cross-disciplinary center aimed at tackling education and health disparity. In Fall 2017, PrecL will be piloting and field-testing a tablet-based gamified universal screener for school readiness and personalized learning (SCRAPL) to identify dyslexia and learning issues, particularly in underserved populations. The position will be located within the brainLENS ([brainlens.org](http://brainlens.org)) lab at the University of California San Francisco (UCSF) - UCSF is a premier biomedical research institution, ranked second in the world for Neuroscience and Behavior by US News.

We are currently recruiting for neuropsychological testers to conduct assessments in Bay Area schools in Fall 2017:

**Description:**

We are in need of testers to administer a dyslexia risk screener app and accompanying neuropsychological assessments to young children in schools in Fall 2017. Position would include traveling to schools, and administering/scoring assessments. This is an excellent opportunity for those who are enthusiastic about: (1) working with children in schools, (2) learning to administer neuropsychological and psychoeducational tests, and (3) being involved in development of a dyslexia risk screener app. **The position would be for 1 year, with possibility of staying on longer to take on lab/project management responsibilities and opportunities.**

**Requirements:**

- Cantonese or Spanish fluency preferred but not required
- Ability to start in August 2017
- Residence in the Bay Area
- Willingness to travel to schools on weekdays

If interested in the above position, please send your CV and a cover letter outlining your interests to [brainLENS@ucsf.edu](mailto:brainLENS@ucsf.edu) with "[Your Name] PrecL Field Tester Application" in the subject line. Candidates may be asked to come in for interviews and provide letters of recommendation as next steps. Please feel free to contact us if you have any questions.

Research assistants from our lab have gone onto a range of graduate schools and programs at institutions such as Stanford University, Harvard University, and Columbia University.
