

-SEEKING FULL- TIME RESEARCH ASSOCIATE-

Interested in joining our research team?

brainLENS (Hoeft Laboratory for Educational NeuroScience, brainLENS.org) at UCSF combines cutting edge, interdisciplinary research methods with a deep passion for maximizing children's potential in life. UCSF is a premier biomedical research institution, ranked within the top 5 in the world for Neuroscience and Behavior by US News.

We are currently recruiting for full-time research associates to join our team!

Description:

We are in need of full-time research associates to run laboratory operations and manage research projects. The position would be situated at the UCSF Parnassus campus within the Department of Psychiatry and Weill Institute for Neurosciences. This is an excellent opportunity for those who are enthusiastic about learning new research skills and being involved in a growing laboratory. Responsibilities may include, but are not limited to:

- Planning and executing lab or project outreach events
- Managing data cleaning, coding, entry and storage
- Coordinating meetings among local and remote personnel
- Collecting data by administering neuropsychological assessments
- Scheduling research subjects and running participants through studies
- Independently analyzing data and writing up findings for publication and/or dissemination

Required Qualifications:

- BA/BS in Neuroscience, Psychology, or related field
- Ability to start in May 2018 and commit to minimum 1-2 years
- Residence in the Bay Area

Preferred Qualifications:

- Excellent organization and interpersonal skills
- Ability to prioritize and work independently as well as collaboratively with local and remote collaborators
- Flexibility with work hours and responsibilities
- Prior experience in a research laboratory is a plu

If interested in the above position, please send your CV and a cover letter outlining your interests to brainLENS@ucsf.edu with "[Your Name] Full Time RA" in the subject line. Candidates may be asked to come in for interviews and provide letters of recommendation as next steps. Please feel free to contact us if you have any questions.

Research assistants from our lab have gone onto a range of graduate schools and programs at institutions such as Stanford University, Harvard University, and Columbia University.
